Operational Definitions

The recurrent expenditure on education by the Education Bureau for primary and secondary education per number of enrolment in primary and secondary day schools.

Footnote

Figures are collected from the Education Bureau.

Figures include subventions on education. All ordinary government and aided schools, Caput schools, Bought Place Scheme schools, Direct Subsidy Scheme schools (included international schools) and refund of rates and government rent to private independent schools are covered. Special Schools are not included. Figure for 1997-98 is not provided.

Expenditure figures refer to financial year., Enrolment figures refer to academic year.
