Operational Definitions

The percentage of registered elderly voters aged 66 and over voting in District Boards/District Councils election.

Footnote

All figures are collected from Registration and Electoral Office since 1991.

Figures are based on only the number of electors in contested constituencies. Figures for 1982, 1985 and 1988 elections are not available.

Figure for 1994 election is used as a proxy for 1996. No election took place in 1997 and 1998. Figure for 1999 District Councils election is used as a proxy for 1998.
