Operational Definitions

The number of in force private life insurance policies as percentage of population, based on mid-year estimate of population.

Footnote

On 26 June 2017, the Insurance Authority took over the regulatory functions of the then Office of the Commissioner of Insurance. All figures are collected from the Insurance Authority since 1993.

All figures are collected from Office of the Commissioner of Insurance since 1996 .

Further to Office of the Commissioner of Insurance (30Jan 2008), they have applied the population figures for 2004 and 2005 as revised by C & SD based on the result of the Population By-census conducted in July to August 2006.
