Operational Definitions

The number of in force private life insurance policies as percentage of population, based on mid-year estimate of population.

Footnote

All figures are collected from Office of the Commissioner of Insurance since 1996 .

Further to Office of the Commissioner of Insurance (30Jan 2008), they have applied the population figures for 2004 and 2005 as revised by C & SD based on the result of the Population By-census conducted in July to August 2006.
